## From President Jay Collins

Hi Everyone and a special welcome to all new members.

Another After School Orchid Program year has come to a close. This year Whispering Pines Elementary School joined JC Mitchell and Addison Mizner in introducing orchids to their students. BJ Saul and I met with Whispering Pines Elementary principal Ms. Barbara Reimer last month. She confirmed what I already knew, which is that the After School Orchid Program is a huge success. To all the volunteers (Mirta Sacon, Shirley Wilde, Karen Zarif, Sheila Bell, Janice Larit, and the program's chair BJ Saul) who gave their time and energy, Thank You. If you would like to be part of the program, please contact BJ at [bjfsaul@comcast.net](mailto:bjfsaul@comcast.net) or 561 271-2125.

We did it! Another successful Valentine's Show. As I do every year, I would like to send a special Thank You to Carla Lacher, Kathy Kersey, and all the volunteers whose countless hours of effort make our show the wonderful experience it is for so many. We had great attendance. People were still arriving at 4:30 Sunday! Remember, this is the only fundraiser we have each year to sustain monthly meetings, various community programs, etc. Without it our Society wouldn't be able to do half of what it does.

Support for our Show comes in many ways. These include finding sponsors, purchasing pre-sale tickets, bringing a dish for hospitality to serve, setting up Thursday and Friday before the show, staying extra minutes after the Member Meeting to move tables to the vendor areas, decorating the "Wall" with children's art from our After School Orchid Program, helping vendors unload on Friday, registering plants to be judged by Jackie Wood, the AOS judges, and the clerks from the West Palm Beach Judging Center. Then, working the many areas needed Saturday and Sunday during the Show. You are the members who make all this possible. Then you break it all down right after the Show in record time.

Speaking for the Board and myself "Thank You Everybody".

Looking forward to seeing you on March 12th at the meeting.

—Jay Collins

President

## A Message from Show Chair Carla Lacher

Our 2020 Valentine's Show was another successful annual fundraiser for our Society. I want to thank all the members who contributed hours of volunteering, and helped to make our Show once again a wonderful experience for so many visitors. This is our only fundraiser and we had great attendance. People were still arriving at 4:45 PM Sunday!

I want to thank our President, Jay Collins, and our Board and Show Committee members. In particular, I want to thank two very special people: Kathy Kersey, our show co-chairman, and Veronica Risko, our treasurer and admissions chairman. Their help was essential in making our Show a success. I also want to especially thank Barbara Barrie for securing our food sponsors. Alan LaDuke, thank you for your help with security and logistics. Teresa O'Neil, our new Hospitality Chairwoman, you and your helpers did an outstanding job feeding the AOS judges and us all weekend long. A special thanks to our member Trent Ward, who volunteered, delivered a lecture, and donated a huge Cattleya plant for our raffle! Special thanks to Lorraine Conover for flying in to help! You all had big roles in helping to make this Show a success!

You helped put out the few signs allowed around Boca, placed banners around the school, set up tables with skirts and tablecloths, transported balloons, decorated the entry wall with art from our Children's After School Orchid Program, sold tickets, solicited sponsors, provided food to sustain us for 2 days, moved boxes, tubs and wire racks. You unpacked and repacked. You helped vendors, and several members who are also AOS Judges register plants for the Member's Exhibition Table and judged our Show on Saturday with the assistance of members who clerked. To the many members who brought in plants to be judged, thank you! Our members' exhibit was gorgeous, and the judges complimented on the number of plants and flower quality. For those of you who won Ribbons and even Awards, congratulations! You assisted attendees to their cars, gave directions, information and you got to be with friends. You laughed, joked, met new members and shared knowledge. You are the essence of who we are as a Society. Thank you all for helping to make the Show possible.

Thank You to all the AOS Judges who devoted their time in the West Palm Beach Judging Center and traveled in the early morning to judge at our Show. We appreciate your continued dedication and love it when we win awards!

Awards are listed in this newsletter along with our Sponsors and Volunteers.

Speaking of Sponsors, when you have a need for: orchid care & maintenance, orchid supplies, a new car, need help with funeral services, need a new home, property management, a day pampering yourself for a facial or massage, when you're hungry and looking for a good restaurant, if you need a doctor, a dentist, if you are looking for cultural inspiration at a museum, please make sure to visit and patronize the businesses that sponsored our show. If you need contact information, please call or email me and I will be happy to provide it. Be sure to thank them on our behalf and mention that you learned about their services through the Boca Raton Orchid Society. I also want to thank the following individuals who sponsored our 2020 show: Amy Hogaboom, Robin May, Bob & Cheryl Dodes, Don Salas, Kathy Geis, Jay & Ann Collins, and Shirley Wilde. Now I want to especially thank and acknowledge our member Sandy Haradon, owner of First Sign Corp., in Pompano Beach, for printing and providing all of our show signs, as well as for sponsoring our show. If you need street signs, banners or other printing services, please visit their shop!

We have several New Members that joined at the show. I hope you enjoy being a part of the Boca Raton Orchid Society. It is a joy and a special privilege to be a member of this wonderful group of friends. Welcome to the family!

**Congratulations to Carole Wolfe who won the large Cattleya orchid at our Orchid Show. Thanks to member Trent Ward for donating the orchid.**

### BROS After School Orchid Program Concludes Another Successful Year

*Submitted by Bj Saul*

February was the last After School Orchid Program meeting. Students in all the schools stated how much they learned and enjoyed the Program. They shared how happy they were that their orchids were growing and how beautiful the flowers are. The instructors then asked the students to evaluate what they learned. They were asked to label the parts of an orchid on a worksheet, identify different types of orchids and to list the types of diseases orchids may get. The club members did great! They are definitely the next generation of orchid enthusiasts.

The most exciting part for the instructors was seeing their students at the Boca Raton Orchid Show and Sale. Many of the students came with their parents and purchased orchids. They were so excited to locate their pictures on the entry wall.

Many thanks to Shirley Wilde, Mirta Sacon, Sheila Bell, Janice Larit, Karen Zarif and BJ Saul for their enthusiasm and commitment teaching this program.

If you would like to volunteer, your help would be greatly appreciated. Contact BJ Saul, [bjfsaul@comcast.net](mailto:bjfsaul@comcast.net), 561-347-0618.
